Learn More About Mimosa Float

Bred by the stellar local Maine breeder, Medicinal Madness 207 - Mimosa Float is another one of our balanced cultivars that will certainly have canna-curious flavor chasers excited. After an extensive search that took many years, we've finally found the perfect lineup of boutique flavors. Mimosa Float just might be your next ticket to an herb-based 'happy hour.' And now for its parents:

This cultivar was created by crossing 'Mimosa', 'Ice Cream Cake', & 'Kush Mintz #11'. It is a 50/50 hybrid. We suggest this one for daytime use, as it has been known to soothe the body while energizing the mind.

Mimosa Float is an excellent choice when you're looking to experience a delicacy in flavor, as well as a clear-headed and uplifting cannabis experience. The most abundant terpenes found in this cultivar are: Caryophyllene, Limonene, & Myrcene. For a refreshingly citrusy and cheerful smoke, don't wait, try our LRP Mimosa Float Flower today!
