CULTIVARS

What do you get when you cross the pungency of Motorbreath with the sweet pine flavor of Mike Larry? Meet Motor Mike: a potent hybrid that intersects the aroma of gas and notes of sweet cream with each puff. Glimmering in trichomes on top of deep hues of dark green, this stimulating cultivar is known to have your body and mind feeling blissful ease. This potent hybrid is born from Jungle Boys, with a genetic lineage crossing the famous Motor Breath (SFV x Chem Dawg) and Mike Larry (Gelato #45 x Larry OG). It ranks high in its THC content and even higher for its seriously lit effects. *Hybrid*

Heartbreaker was created by crossing 'High School Sweetheart' (Cherry Pie Kush x Grateful Breath) with the classic 'OZ Kush' (OG Eddy Lepp x Zkittlez) – this resinous Hybrid features an abundance of trichomes and cannabinoids. Sunken Treasure Seeds, also known as the legend @grow420grow, have received praise from High Times as well as cannabis enthusiasts and savvy cultivators throughout the world. With its pungent notes evoking earthy, fruity, and gassy undertones; the most commonly found terpenes in this strain are Myrcene, Limonene, Caryophyllene, and Pinene. Her looks and aroma might break your heart, but spark some and it'll mend you right back up with some tender, natural care. *Hybrid*

Bred by the excellent 808 Genetics – Pie Cake is another one of our balanced, potent and pungent cultivars that will surely satisfy all the indica lovers out there in canna-world. We spent years searching for the best marijuana genetics for our customers. This one may 'take the cake' - but you'll just have to see for yourself! It was created by crossing 'Wedding Cake' (Wedding Cake x Cherry Pie x Crippy) with Cherry Pie (Granddaddy Purple x F1 Durb). It is an indica-dominant hybrid with a stellar pedigree. It's also ideal for that late afternoon pick-me-up. nene. So if you're canna-curious, what are you waiting for? Indica-Dominant Hybrid

The world-renowned Jungle boys are back at it again with a with highly sought-after cultivar, Mike Tai. A cross between Mike & Larry x Maitai is for cannabis enthusiasts around the world. This refreshing boutique selection was bred by crossing 'Mai Tai' (Maui Wauai x Tutti Frutti) with 'Mike Larry' (Gelato #45 x Larry). It is a sativa-leaning hybrid that will surely leave you with a chill, giggly buzz. It is ideal for daytime consumption and adventures. This strain is highlighted by a fruity aroma and a taste reminiscent of the classic Hawaiian Mai Tai cocktail. So, what are you waiting for? Get out there, have fun and enjoy the sun with this perfect summertime smoke. *Sativa-Dominant Hybrid*

Brought to us from Tiki Madman Genetics, this cultivar will not disappoint. It is a cross of Trop Cherry (Tropicana x Cherry Cookies) and Zkittlez Bomb (Forbidden Zkittlez x Sunset Sherbert), making it a stunner in both looks and taste. While breaking down this lineage, we discover the following; Trop Cherry is a cross between Tropicana Cookies and Cherry Cookies which as a result becomes a Sativa dominant strain with bright purple/green buds and orange hairs. Even for buds on the smaller side, they pack some smell. A blend of tangerines and sour cherries with some earthy gas will fill your nose. *Hybrid*

Bred by Seed Junky Genetics, this hybrid's versatility makes it an ideal cultivar for both novice and longtime consumers. Juicee J was born from the genetic lineage of Cap Junky aka Miracle Mints (Alien Cookies x Kush Mints) x Jealousy (Gelato 41 x Sherb bx). It's a fan favorite that is packed with intense spicy and sweet, earthy musk – as well as providing a steady balance of both stimulating and relaxing effects. This cultivar will have consumers feeling a burst of euphoric energy along with a long-lasting, uplifting, creative buzz. The complex layers of flavor in Juicee J will have you experiencing a new note with each hit. *Hybrid*

Initially grown by the stellar Lit Farms, Jordanz is a balanced strain that will have you soaring like Michael Jordan iconically dunking from the free throw line. Keeping with the 'pro basketball legend' motif, this strain was bred by crossing Cookies' infamous 'Gary Payton' (Y Griega x Snowman) with Leafly's 2020 Strain of the Year, 'Runtz' (Zkittlez x Gelato). This 50/50 hybrid is a tried-and-true powerhouse. Longtime cannabis consumers and newcomers alike have found it to be perfect for any occasion. Many factors make this strain especially great, like the fact that it is rich in resinous buds. *Hybrid*

Coming via the infamous Aficionado Seeds, the Sangria strain first hit the NorCal cannabis scene and quickly became an instant classic. Its fruity profile, exotic appearance, robust heritage, and uplifting effects have made it a favorite for adventure-seeking smokers of all types. It was bred through the crossing of 'Forbidden Fruit' with the 5x Emerald Cup-Winning 'In The Pines' and 'Pineapple Thai' – creating an entirely new bouquet – which is known for its high yield and versatility throughout various climates. The Sangria plant is a very tall, very large, early-finishing purple sativa (shown to contain THC, CBD, & CBG). *Sativa*

Bred by the stellar local Maine breeder, Medicinal Madness 207 – Mimosa Float is another one of our balanced cultivars that will certainly have canna-curious flavor chasers excited. After an extensive search that took many years, we've finally found the perfect lineup of boutique flavors. Mimosa Float just might be your next ticket to an herb-based 'happy hour.' And now for its parents: This cultivar was created by crossing 'Mimosa', 'Ice Cream Cake', & 'Kush Mintz #11'. It is a 50/50 hybrid. We suggest this one for daytime use, as it has been known to soothe the body while energizing the mind. *Hybrid*

This potent hybrid was created by crossing 'Blue Cookies' (Girl Scout Cookies x Blueberry) with 'Georgia Pie' (Gelatti x KM11). As you can probably already tell from this lineage, Blue Slushie is a pungent variety with gassy notes of minty Kush bursting from its buds, enticing you into sparking up a balanced blend of naturally delightful wellness. Behold! Blue Slushie's fresh aroma is famous throughout canna-land. The main beneficial terpenes found in this cultivar are Limonene, Caryophyllene, & Myrcene. It's a real crowd-pleaser. Come check out our Blue Slushie buds when you're visiting LRP – spark one up and you won't be disappointed when you experience an uplifting & fragrant rush of fruity dankness! *Indica-dominant Hybrid*

Hailing from Mendocino, Aficionado Seeds bring us this fresh spin on a classic cultivar: Alder Point Sour. This pungent selection has become popular for its gassy notes and powerful effects. It has been described as a 'frostier-type' Sour – however, cannabis enthusiasts will surely recognize those familiar notes as soon as they open the container. Next let's talk about where it comes from: This nose-tickling cultivar was created by crossing 'Leggett Sour Diesel' with 'Sour Diesel IBL #72 x Original Diesel BX1). A Heavy Sativa, it will surely take you to some energizing and dreamy places in your cranium. It's great for daytime consumption. *Hybrid*
