

Indica Hybrid

Learn More About ZLUSHIEZ Factory

Introducing Zlushiez Factory, a mesmerizing Indica Hybrid born from the collaborative effort of Raw Genetics and Pheno Addicts. This Cultivar marries the best of Unicorn Factory (Unicorn Poop X Runtz) and Zlushiez, (Zkittlez X Strawberry Fritter).

Zlushiez Factory boasts an aroma of candy-like sweetness infused with a distinct gas-like undertone. Visually striking, the buds of Zlushiez Factory display a vibrant hue of bright green with swollen pods generously coated in a blanket of trichomes. The glistening trichomes offer a promise of potency and great potential for Rosin production.

This hybrid strain is destined to become a cherished favorite, both among cannabis connoisseurs and the staff alike. Its alluring scent, captivating appearance, and the potential for a delightful and balanced high make Zlushiez Factory a must-try for those seeking an unforgettable cannabis experience. Prepare to be captivated by the harmony of flavors and the soothing effects that will undoubtedly leave a lasting impression, making this strain a standout in the world of cannabis.
