

INDICA

Prepare your taste buds for a feast of flavors with OMG Burger, a heavy Indica strain bred by the talented 808 Genetics. This exceptional cultivar is a back cross of GMO BX3 x GMO, making it a GMO BX4. GMO, aptly named after its delectable profile of garlic, mushrooms, and onions, has earned its place as a connoisseur's favorite. OMG Burger takes this legacy to new heights, delivering a culinary symphony of taste and effects.

AROMA

The unmistakable scent of garlic, earthy mushrooms, and sweet onions, creating an inviting fragrance that foreshadows the culinary journey about to unfold.

FLAVOR

Each inhalation introduces the palate to a medley of savory garlic and earthy mushrooms, complemented by the subtle sweetness of onions and gas. The aftertaste lingers, leaving a satisfying and memorable impression.

EFFECTS

Brings a wave of relaxation that cascades through the body. The calming effects are profound, making it an ideal choice for those seeking relief from stress, tension, and insomnia.
