

VADER BREATH

INDICA-HYBRID

Learn more about Vader Breath

Embrace the dark side of relaxation with Vader Breath, an Indica-hybrid masterpiece meticulously crafted and cultivated by Lazy River Products. This strain is the result of a careful and deliberate breeding process by 808 Genetics, where two iconic strains—Sunset Sherbet and Peanut Butter Breath—were crossed to create something truly extraordinary.

The journey to Vader Breath begins with Sunset Sherbet, an Indica-dominant hybrid known for its sweet, fruity flavors with hints of berries and citrus. By combining this with Peanut Butter Breath, a balanced hybrid revered for its nutty, earthy aroma and deeply tranquilizing effects, breeders at 808 Genetics have carefully selected the best traits from each parent. Through multiple generations of breeding, and with the expert cultivation by Lazy River Products, the result is Vader Breath—a strain that encapsulates the sweetness and potency of its predecessors, delivering a unique and powerful experience.

As you approach, the sweet, gassy aroma of Vader Breath fills the air, hinting at the potent effects to come. Each bud is a visual masterpiece, shimmering with a frosty layer of trichomes and deep blue hues, showcasing the care and precision that went into its creation.

For those looking to explore different forms of this exceptional strain, our Vader Breath flower pairs beautifully with our Vader Breath Live Rosin, a solventless hash oil crafted from fresh frozen flower and expertly pressed to preserve its rich flavor and potency. Additionally, try our Vader Breath Live Rosin Badder, a creamy, golden concentrate with a smooth texture, perfect for dabbing or adding to your preferred method of consumption.

Vader Breath is your gateway to a galaxy of deep relaxation and introspection. Its potent effects dissolve stress and tension, replacing them with a profound sense of calm and serenity. Whether you're unwinding after a long day or seeking a moment of solitude, let Vader Breath, cultivated by Lazy River Products, guide you to a place where relaxation is the ultimate power.
